

## COVID-19 Safety Play Guidelines for Tennis at LVR Courts, 2021

Tennis can provide a safe opportunity for healthy outdoor exercise during the COVID-19 pandemic provided that the public health practices put forward by TennisBC and endorsed by the provincial government are followed:

- All membership payments and court bookings are to be made in advance on-line at [www.nelsontennisclub.com](http://www.nelsontennisclub.com). **There will be no drop-in play.** Members may bring guests for a \$5 per person; cash fee to be deposited in the green shed. Visitors are welcomed but they must contact the club [link, email] to prepay and to book the court time; visitor fees are \$20 per court per hour.
- Use the hand sanitizer provided before entering and leaving the courts. Players should also carry and use their own hand sanitizer.
- There will be no benches. Bring a lawnchair for your personal use if you wish, provided you take it when you leave. Do not share equipment.
- Bring your own water. The fountain will be closed.
- Take your trash home with you. There will be no trash cans.
- Play with family/household members when possible.
- Doubles are allowed with strict adherence to social distancing of two metres.
- Refrain from touching your face.
- Do not attend the courts if you have symptoms or if you have been exposed to a COVID patient within 14 days.
- The elderly, and those with immune compromise and chronic diseases, should consider not attending the courts.
- Assist each other in following the rules. Behaviors will be monitored; a lack of compliance will result in a suspension of play and could result in a suspension of membership.
- **PLAY AT YOUR OWN RISK.** Preparation for, and participation in playing tennis at the Nelson Tennis Club, shall be entirely at your own risk.

Please be vigilant and thank you for respecting public health and safety practices.
